The Problem

11:04 PM. "Price kitna hai?"

The enquiry comes in after closing. You see it at 10 AM, reply with the price, and get blue ticks. She booked with the clinic that answered at 11:05.

The Workflow

WhatsApp Lead Agent

Every box below is a node in the free workflow.

Step 1

Catch every enquiry

Every WhatsApp message wakes the workflow. Receipts and stickers are dropped, the text is cleaned up, and a message Meta delivers twice is answered only once.

Step 2

Give Claude the facts first

Before Claude writes a word, n8n pulls this person's history from your Leads sheet, your full price list, and your next 3 free call slots from Google Calendar.

Google Sheets

Prices

	Service	Price	Includes
1	**Laser, full arms**	**₹2,500**	**1 session**
2	Laser, full legs	₹3,800	1 session

it can only quote what's here
