The Problem

The 10:30 PM message from your CA

20 November, 10:30 PM. The CA messages: GSTR-3B is due tonight and the purchase bills never came. The due date was known for a month. Nobody was reminded.

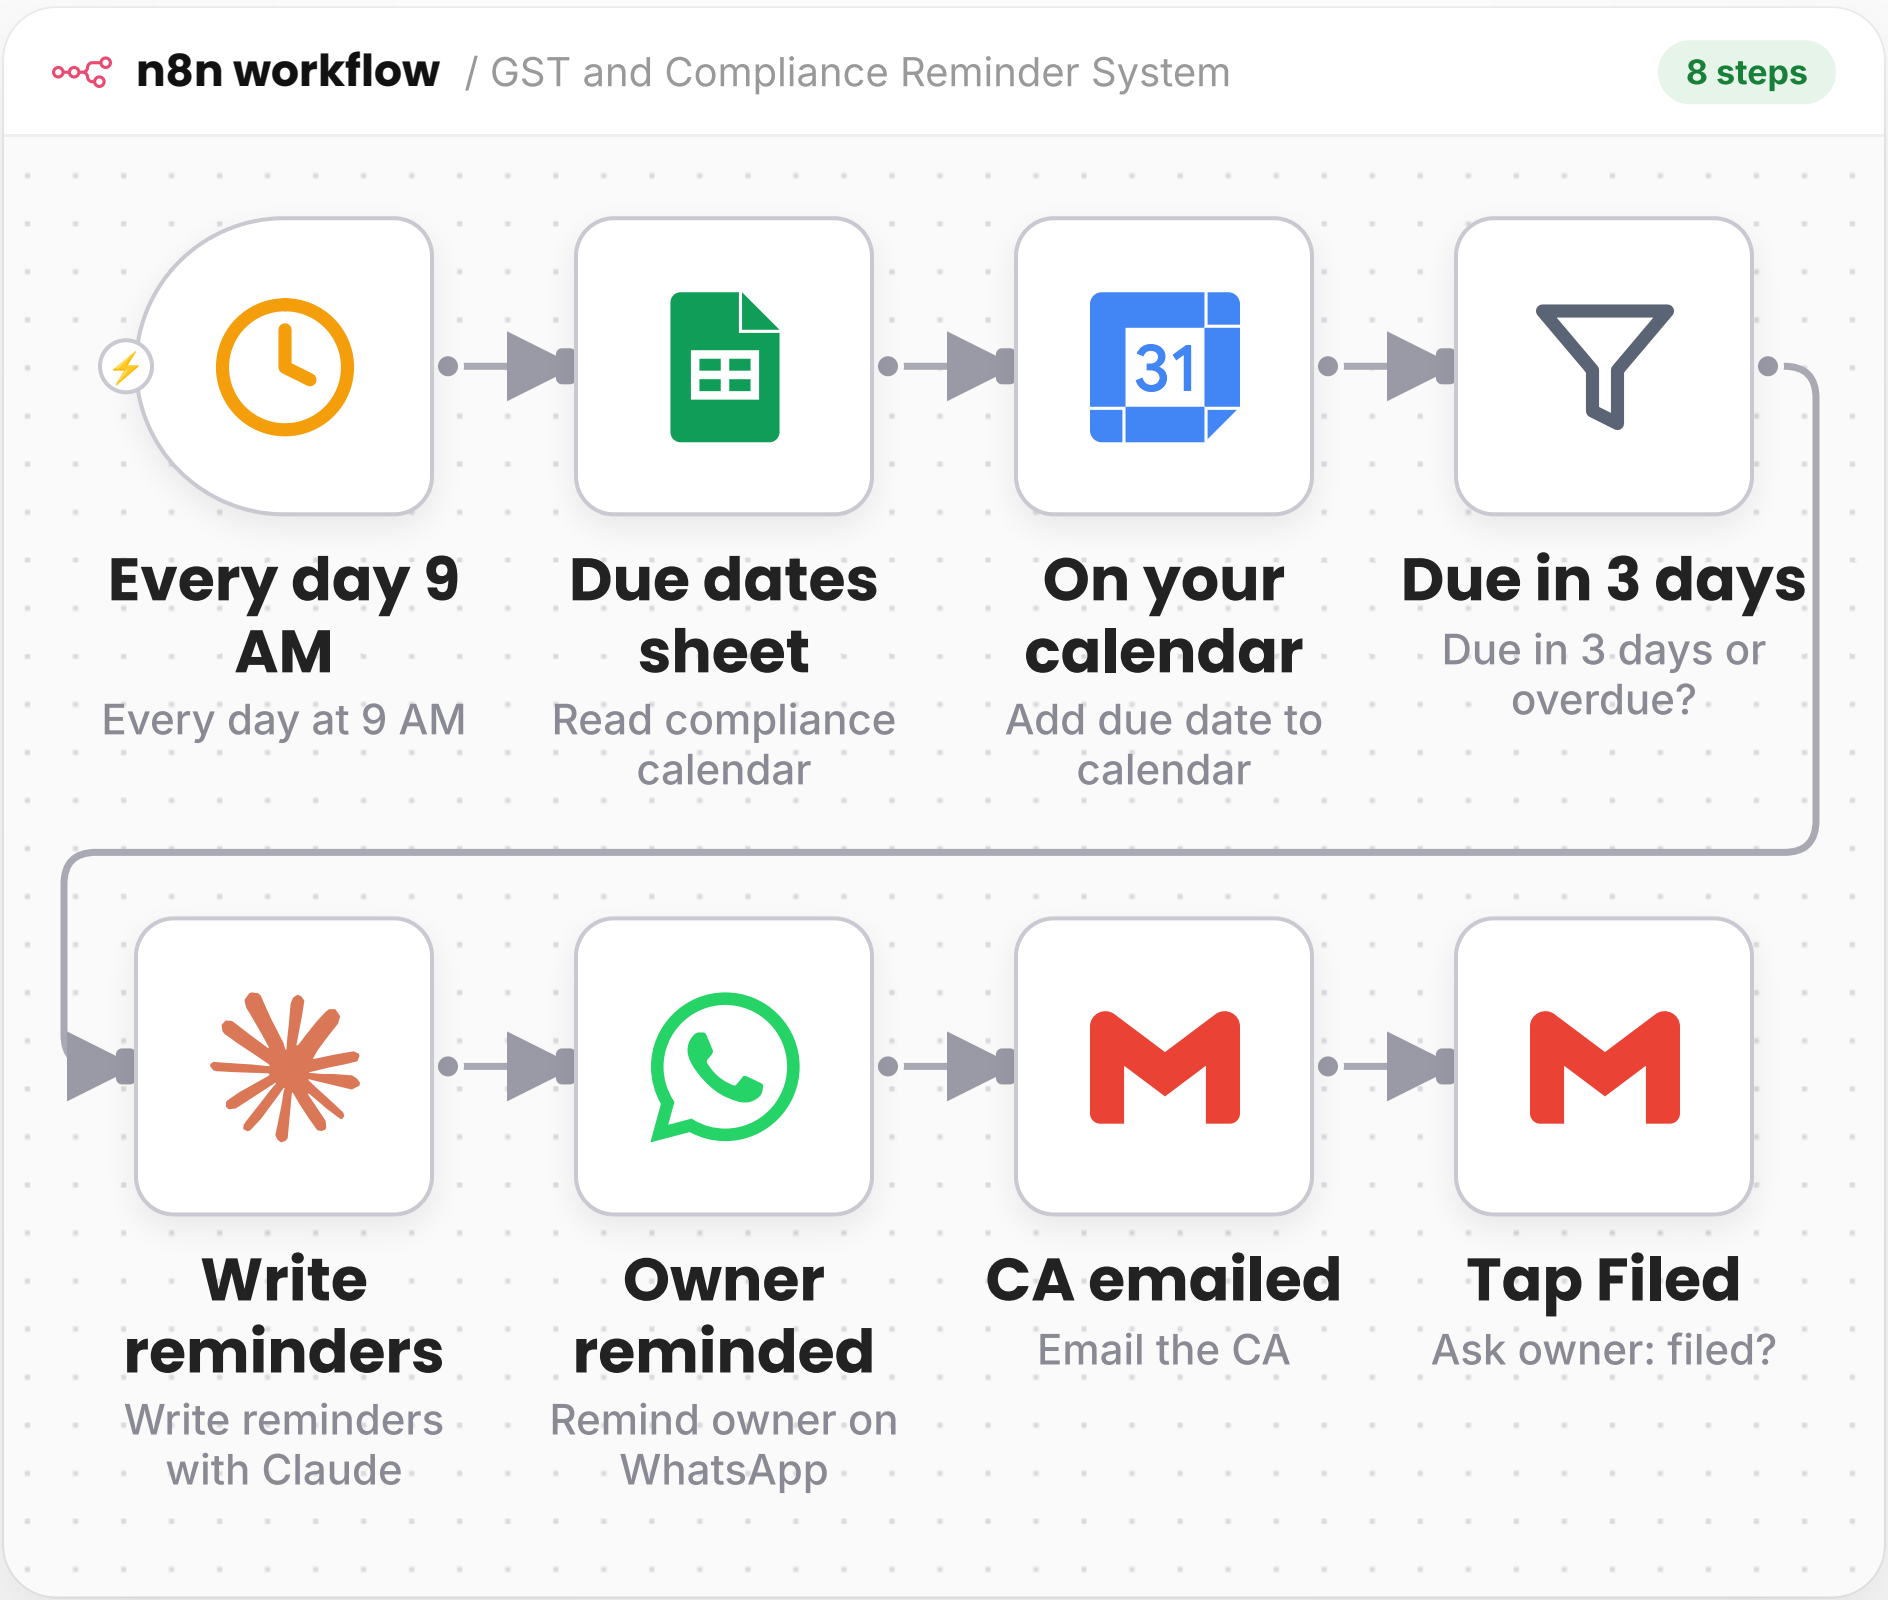

every month, same panic

The Workflow

GST and Compliance Reminder System

Every box below is a node in the free workflow.

Step 1

One sheet of due dates

GST, TDS, advance tax, PF and ROC dates live in one Google Sheet with the form, period and documents needed. Every morning at 9 n8n reads it and works out the days left.

Google Sheets

Compliance

	Form	Period	Due	Status
1	GSTR-1	Oct	11 Nov	Filed
2	**GSTR-3B**	**Oct**	**20 Nov**	**Pending**
3	TDS payment	Nov	7 Dec	Pending
4	Advance tax	Q3	15 Dec	Pending

your CA can fill this once

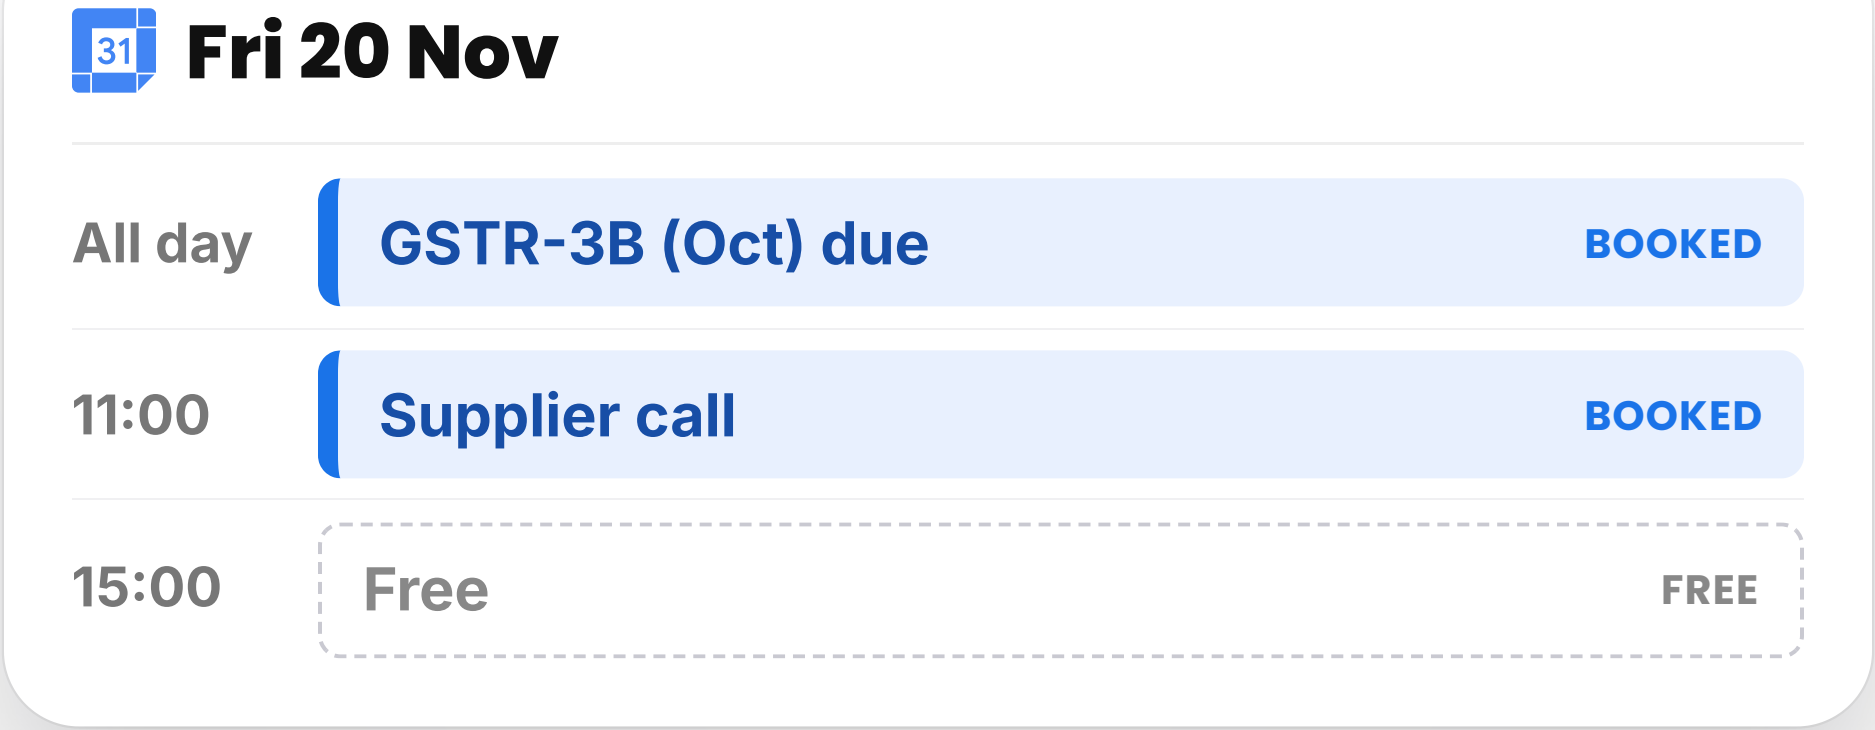

N8N NODES

Every day at 9 AM → Read compliance calendar → Work out days left

Step 2

Every due date on your calendar

Any due date not yet on Google Calendar is added as an all-day event with the documents list. The event id is saved, so it is never added twice.

N8N NODES

Not on calendar yet?

Add due date to calendar

Save calendar event

Step 3

Pick what needs a nudge

Reminders go out 3 days before, 1 day before, on the day, and every day once overdue. Filed items stop. A guard makes sure nothing is reminded twice in one day.

- [x] GSTR-3B (Oct): 3 days left
- [x] TDS payment (Nov): 13 days, skip
- [x] GSTR-1 (Oct): filed, skip
- [x] Reminded today? no
- [x] Send 1 reminder

N8N NODES

Due in 3 days or overdue?

Not reminded today?

Bundle into one list

Step 4

Claude writes the reminders

Claude turns the list into one short WhatsApp for you and one clear email for your CA with the documents checklist. Dates are copied from the sheet, never changed.

Gmail

Compliance Bot

Step 5

STAYS HUMAN
