The Problem

They stayed till the end. Nobody called.

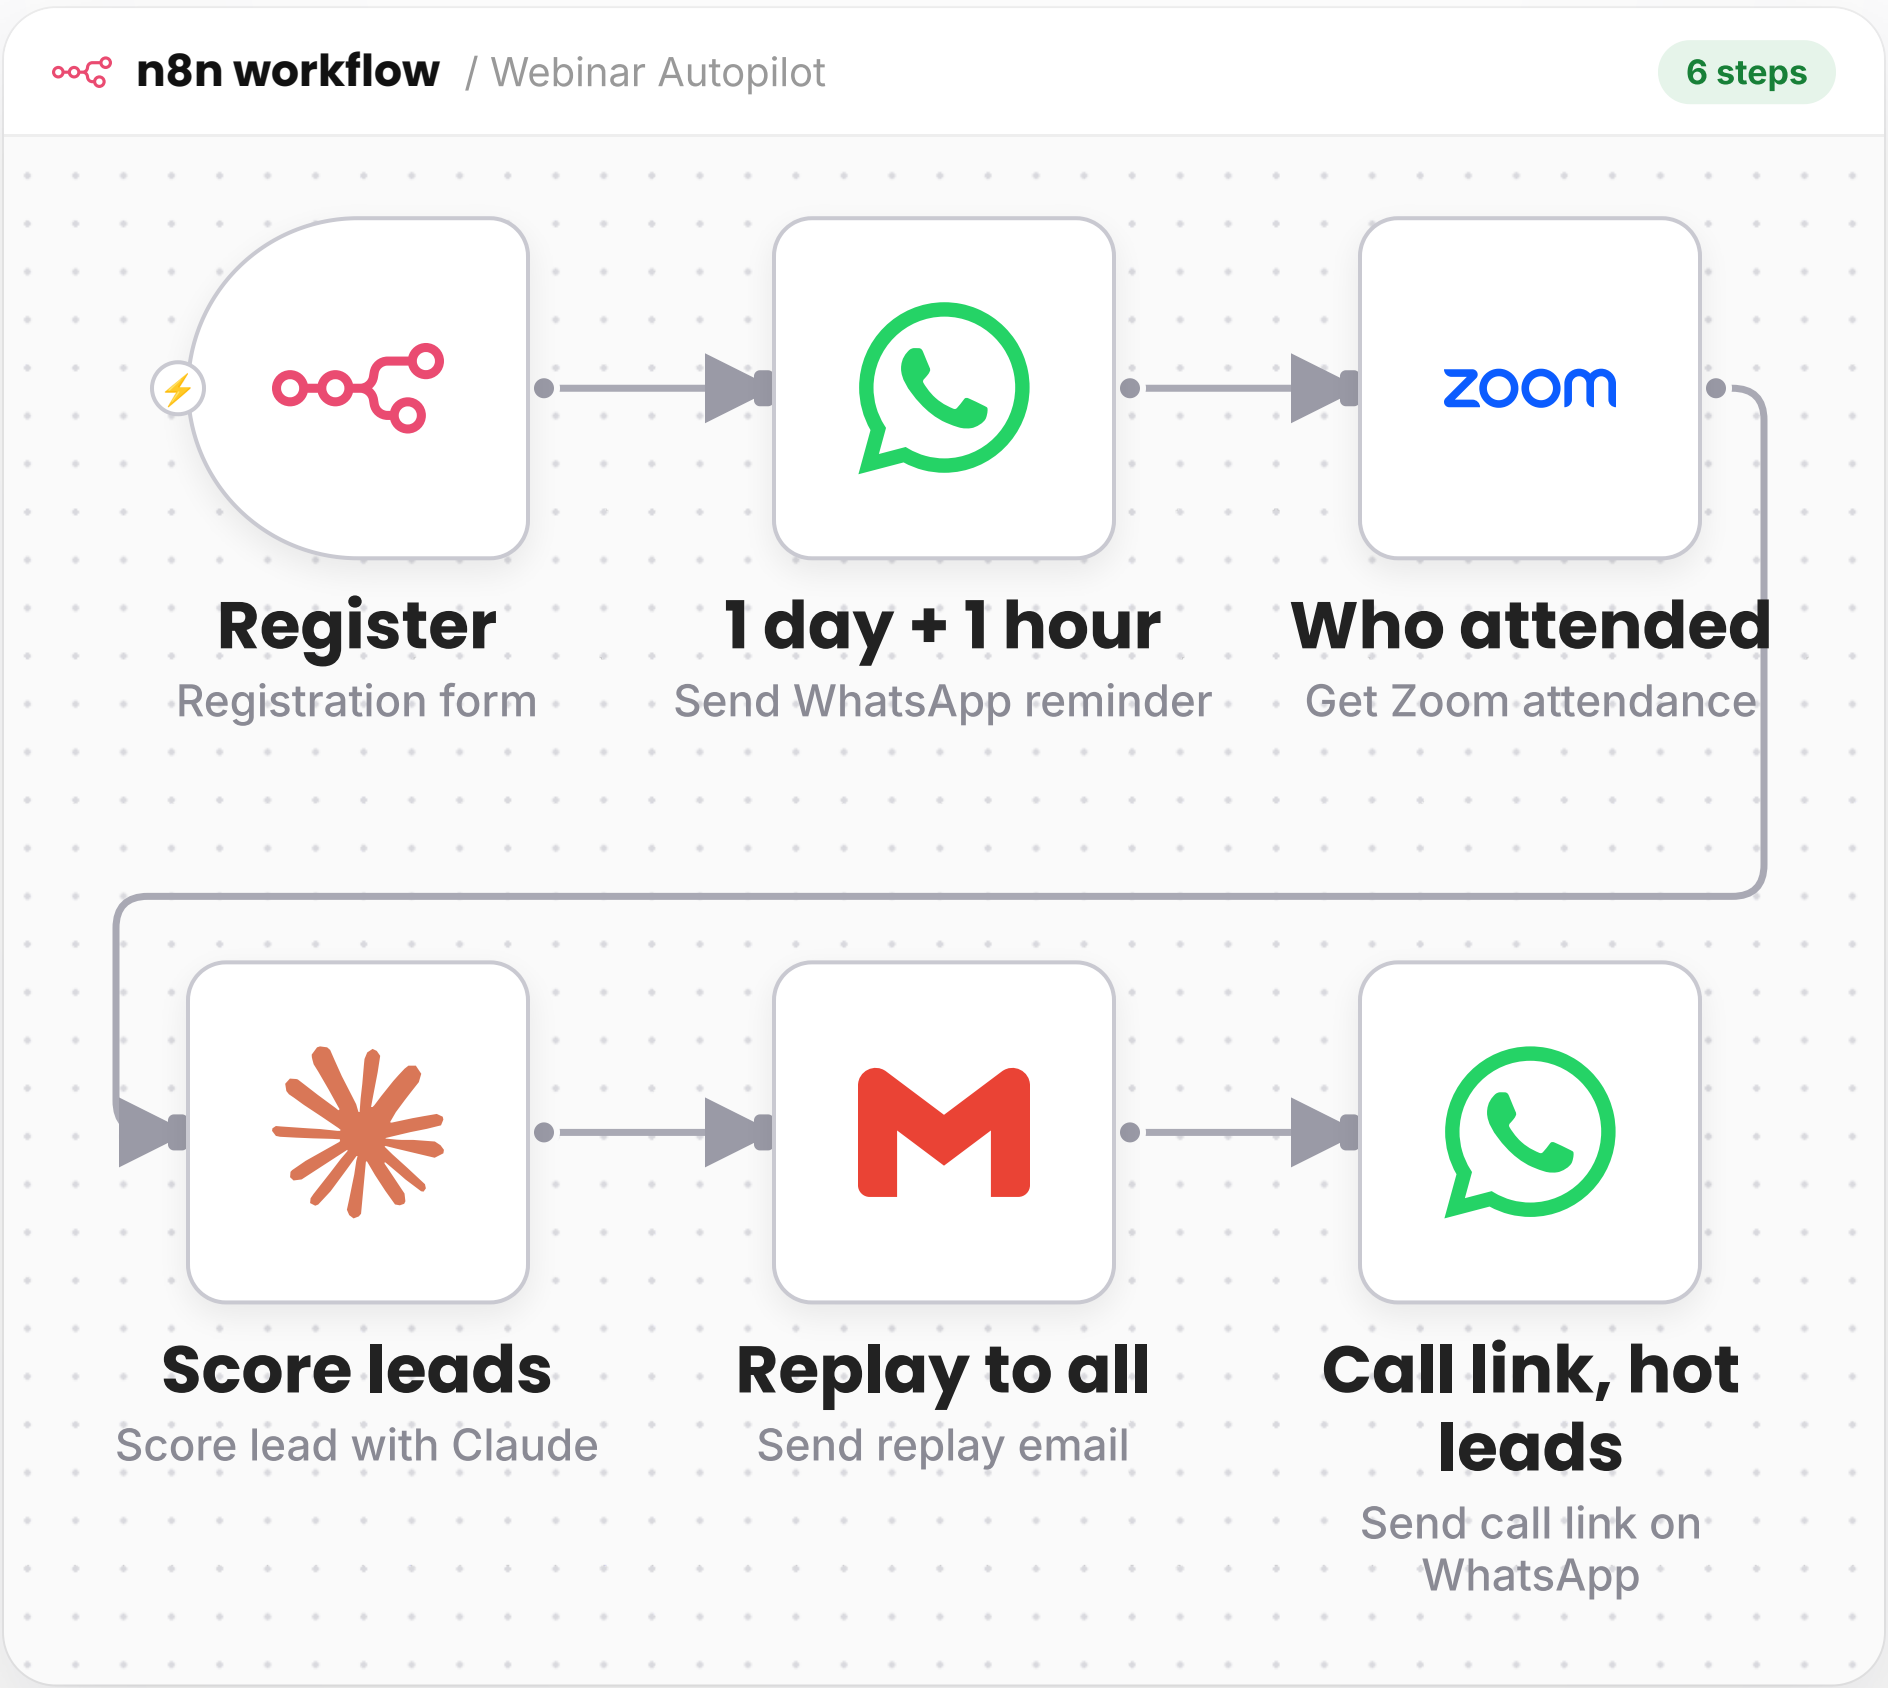

Saturday, 6 PM. Neha's free webinar on Instagram for clinics. The Zoom link went out once, on Monday. The replay went out on Wednesday in one BCC email. Two dentists who asked about pricing never heard back.

The Workflow

Webinar Autopilot

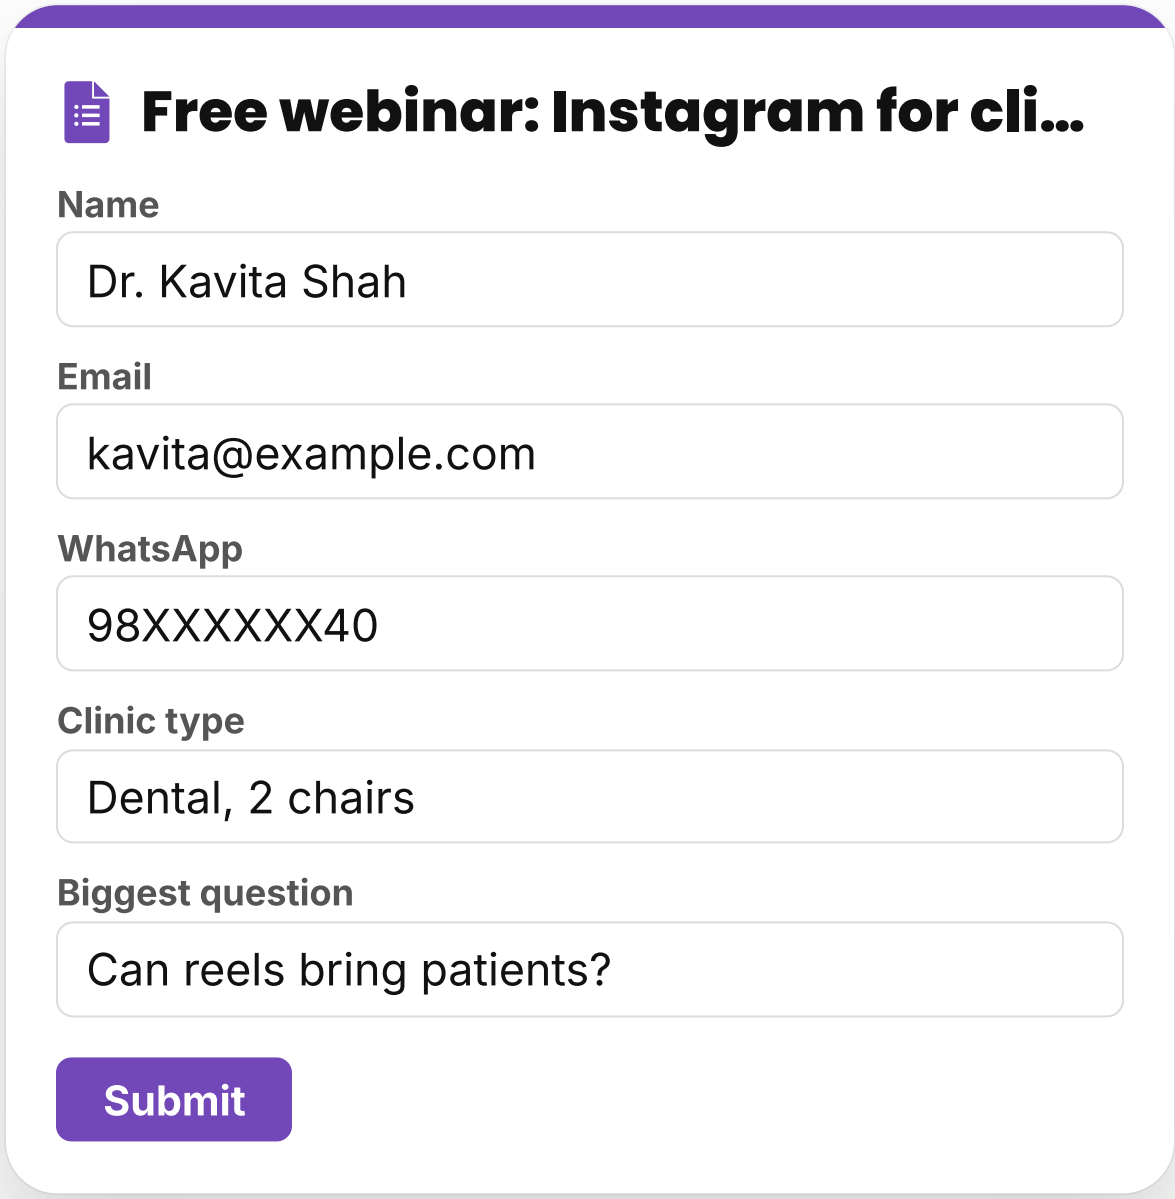

Every box below is a node in the free workflow.

Step 1

Register, confirmed instantly

People sign up on a simple form with name, email, WhatsApp number and their biggest question. They are saved once, even if they register twice, and get the Zoom link and a calendar link by email.

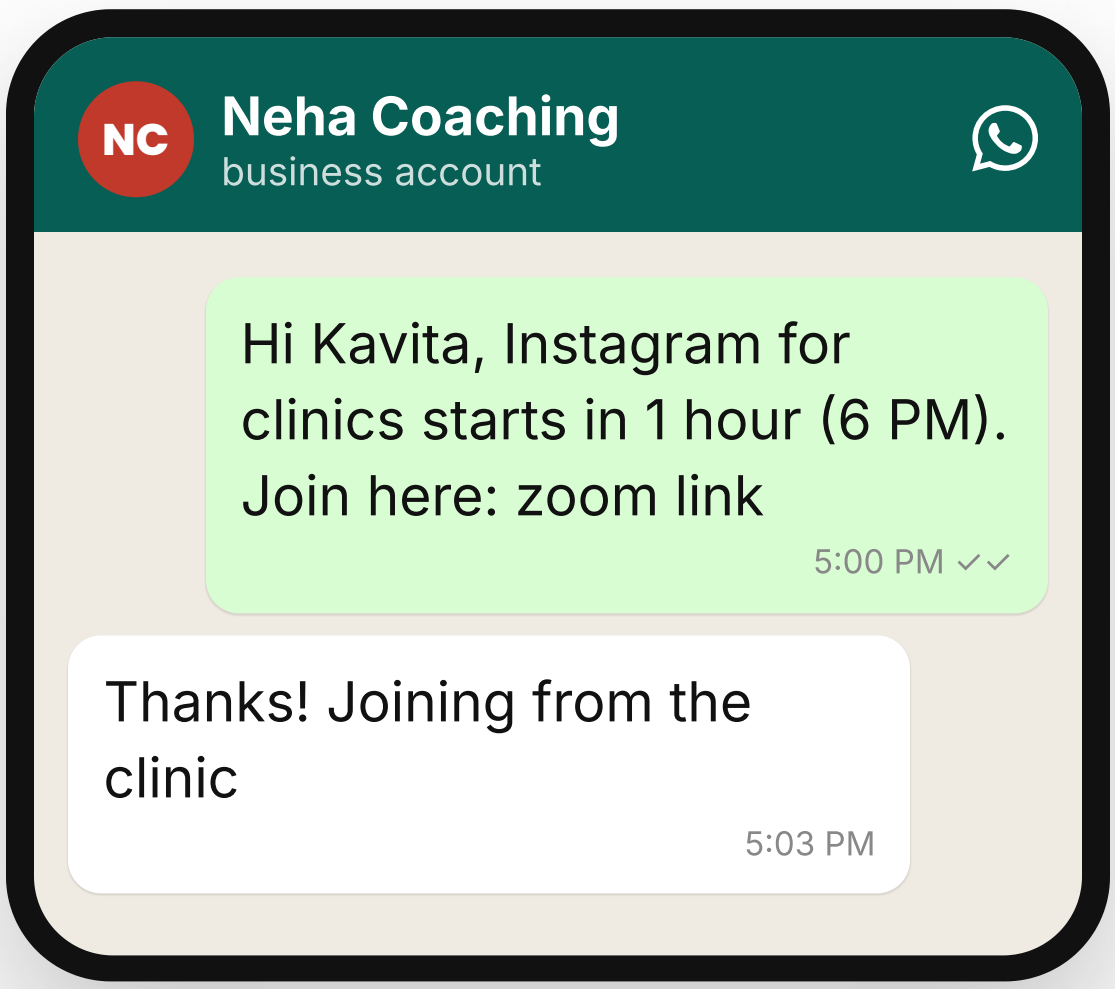

N8N NODES

- Registration form
- Clean up registration
- Already registered?
- Save registration
- Send confirmation email

Step 2

Reminders 1 day and 1 hour before

Every 15 minutes n8n checks who needs a reminder. Each person gets one WhatsApp a day before and one an hour before, never twice. If WhatsApp fails, you get an email.

1 day + 1 hour, that is it

N8N NODES

- Every 15 minutes
- Read registrations
- Who needs a reminder?
- Send WhatsApp reminder
- Mark reminder sent
- Alert host

Step 3

See who actually showed up

At 10 PM n8n pulls the participant list from Zoom and matches it to registrations by email, with minutes attended. People already followed up are skipped.

Google Sheets

Attendance

	Name	Joined	Minutes	Of 60
1	**Dr. Kavita Shah**	**5:58 PM**	**58**	**97%**
2	Priya	6:20 PM	22	37%
3	Imran		0	no-show
4	Dr. Iyer	6:01 PM	61	100%

N8N NODES

After the webinar at 10 PM

Get Zoom attendance

Match attendance

Step 4

Claude scores every lead

Claude reads each person's business, their question and how long they stayed, and marks them hot, warm or cold with a reason. It also writes one personal line for their replay email.

Claude

Score this webinar lead

Score	hot
Why	Stayed 58 min, owns a clinic, asked about patients
Personal line	Your reels question: start with 1 before/after a week
Next step	Offer a 20 min call

not just "thanks for joining"

Save attendance and score

Step 5

Replay for all, a call for hot leads

Everyone gets the replay with their personal line, attendees and no-shows worded differently. For each hot lead you get an email: tap Approve and they get your call booking link on WhatsApp.

N8N NODES

Send replay email · Hot lead? · Approve call invite · Host approved? · Send call link on WhatsApp

What Changes

Before and after the workflow

BEFORE

- Zoom link sent once
- One BCC replay for everyone
- Hot leads never called

AFTER

- Reminders 1 day and 1 hour before
- Replay with a personal line
- Hot leads get a call link after your OK

STAYS HUMAN

Call invites go out only after you approve each hot lead. Claude never promises prices or results.
