Who Remembers Everything?

(and what if they're on leave)

The Memory

Your Business Runs on Someone's Head

Renewals, deadlines, promises. **All in one head.**

now imagine they're on leave

Renewals

Contracts That Remind You

Every AMC, membership and plan in one sheet, with an **end date**.

Google Sheets

Contracts

Client	Contract	Ends	Reminder
Patil Engg	Machine AMC	15 Dec	Sent 15 Nov
FitZone Gym	Annual plan	2 Jan	Due 3 Dec
Kiran Motors	Service AMC	28 Feb	Later

Hi Patil ji 🙏 Your machine AMC ends on 15 Dec. Shall we renew it for another year? The quote is attached.

30 days before, not 3 days after

Deadlines

Compliance Dates, On Time

Dates from **your CA** go into the calendar. Reminders go to whoever owns each one.

December — Compliance

1	2	3	4	5	6	7 TDS deposit
8	9	10	11 GSTR-1	12	13	14
15 Advance tax	16	17	18	19	20 GSTR-3B	21
22	23	24	25	26	27	28

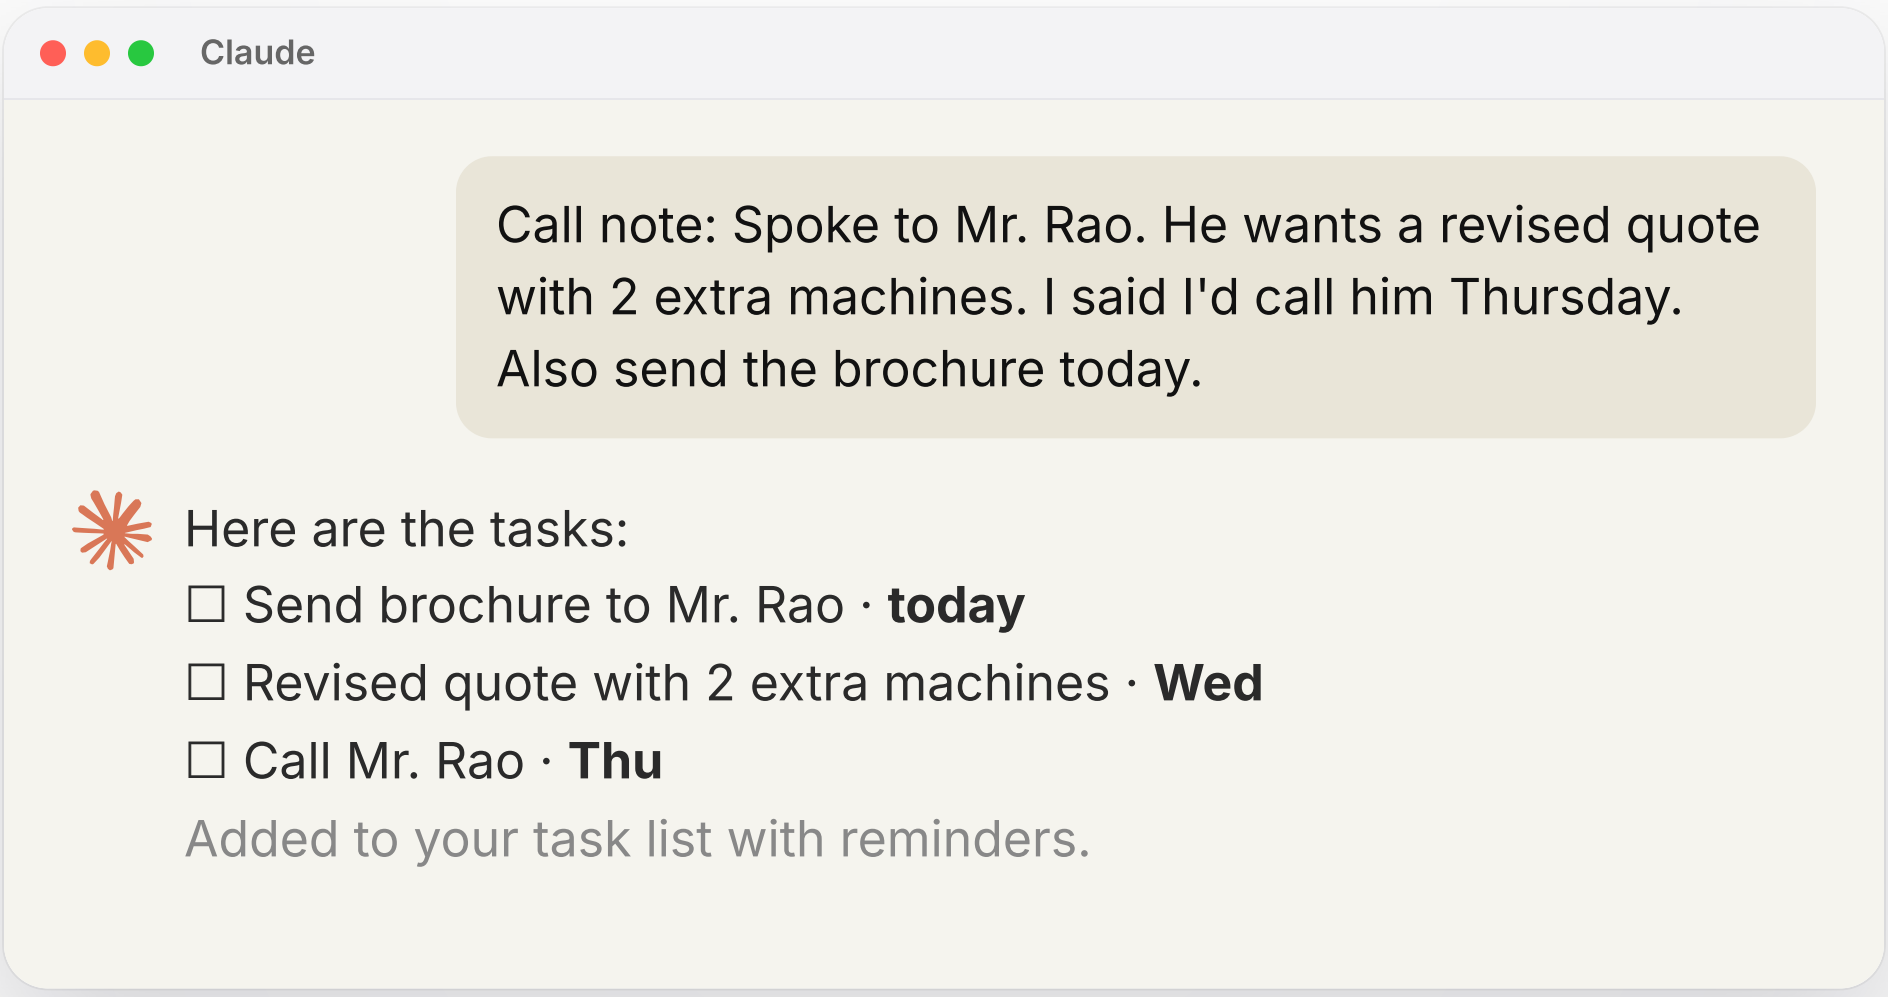

FIX 3 days before each date: a WhatsApp to the accountant **and** to you.

AI doesn't pick the dates. your CA does.

Promises

"I'll Call You Thursday"

Claude finds promises in call notes and chats and turns them into **tasks with dates**.
