Step 1

Pick What Needs a Human

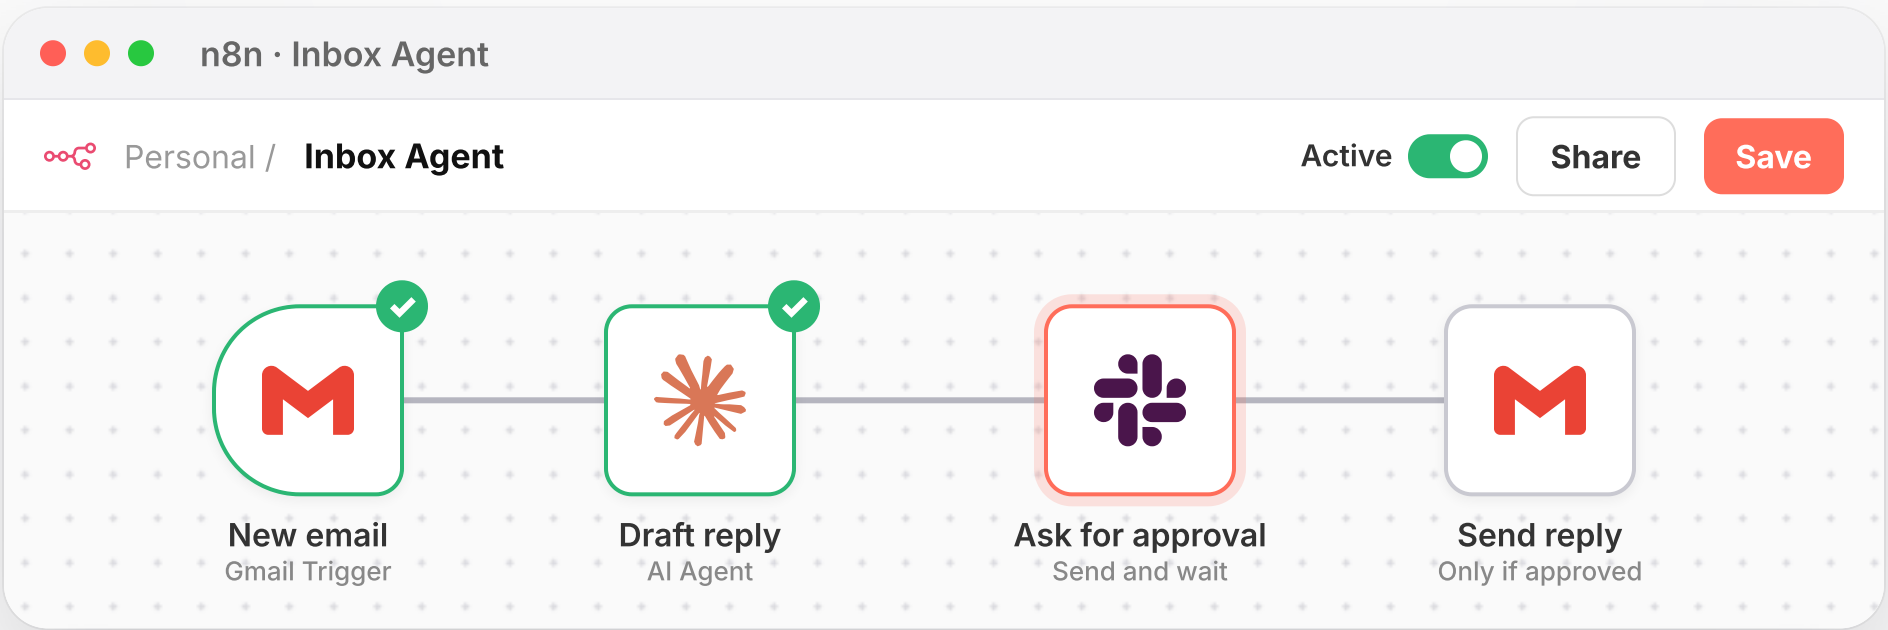

Money, promises and feelings get a human check.
Routine answers don't.

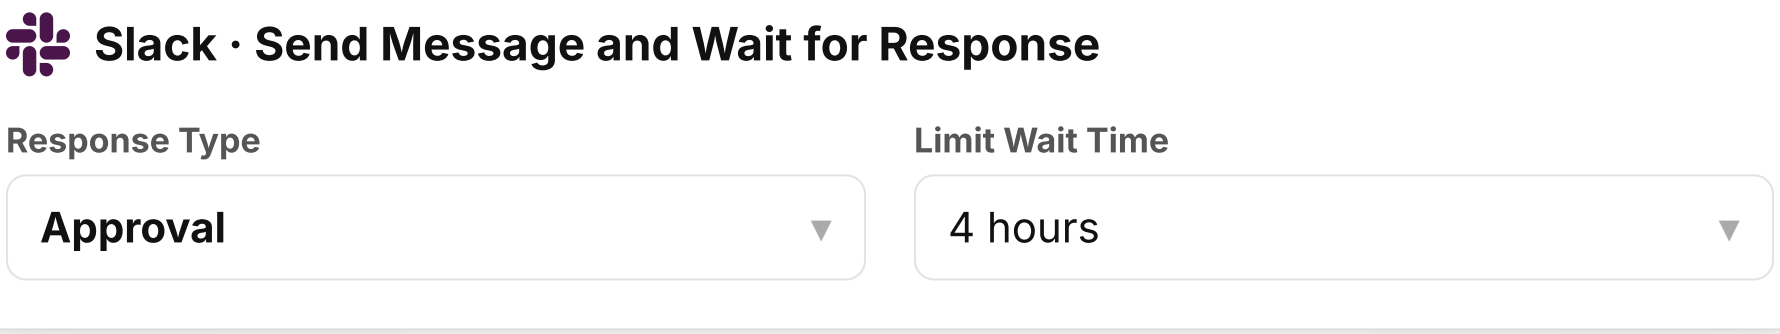

You approve	Goes out alone
Refunds + discounts	Order status
Quotes and prices	Opening hours
Upset customers	"Got your message"
First reply to a new client	Booking links

Step 2

The Agent Drafts, n8n Waits

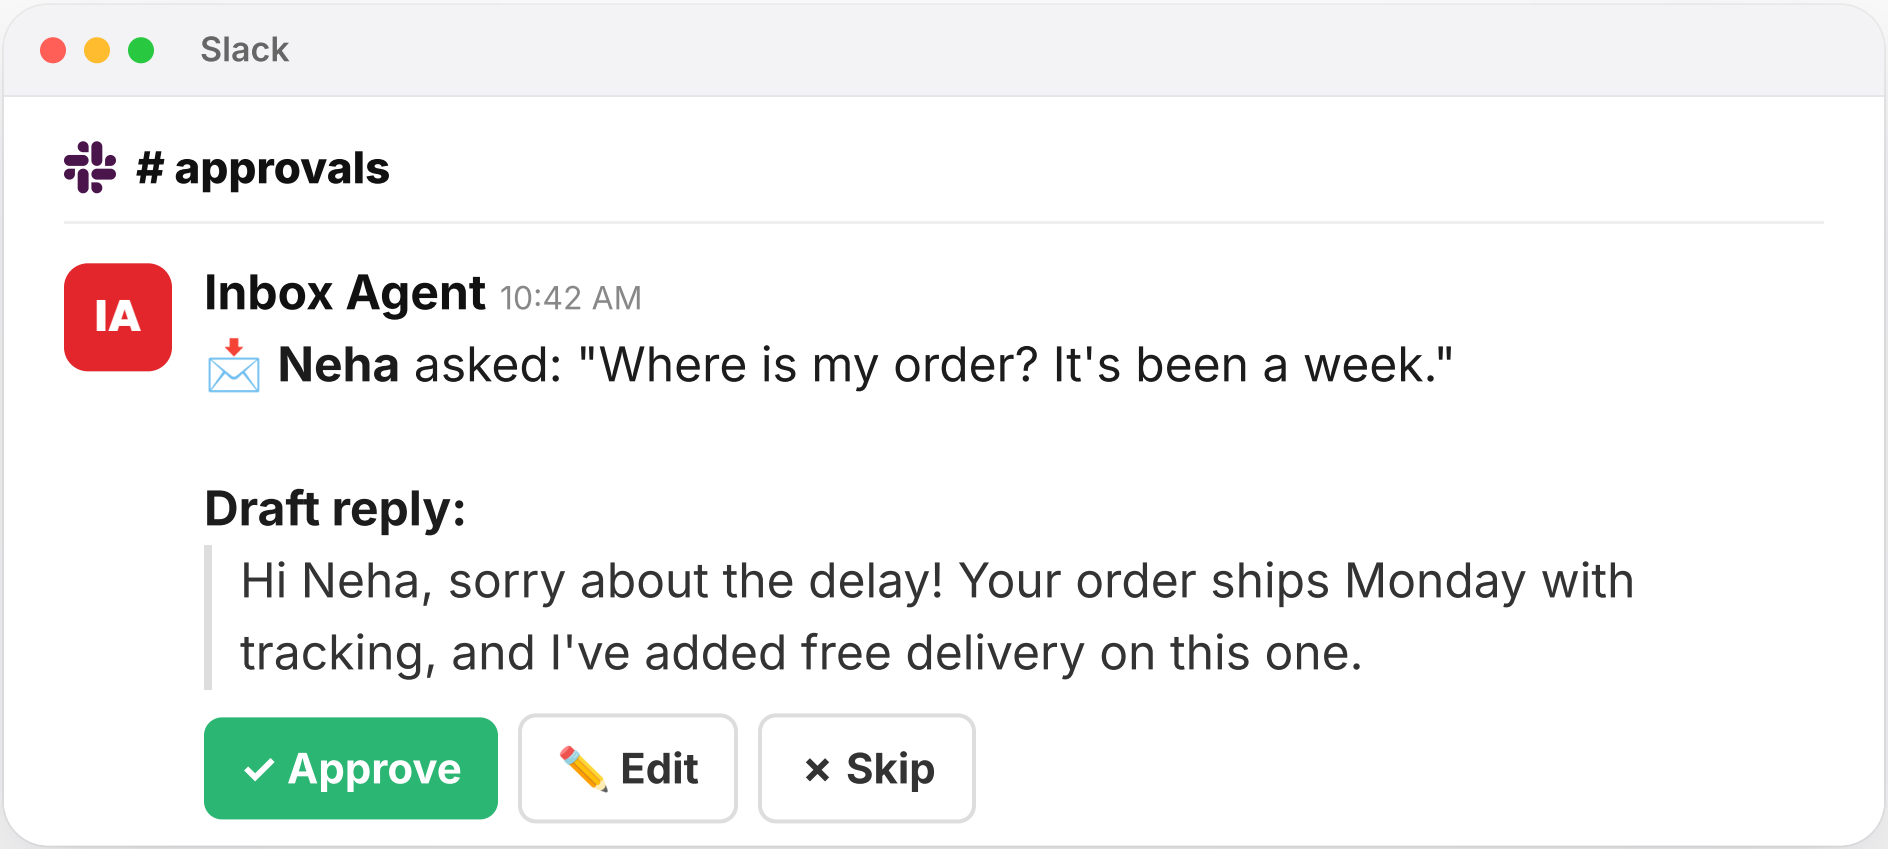

drafts. never sends on its own.

Step 3

Approve in Slack

The question, the draft and **three buttons**. Works from your phone.

Step 4

Edit Before It Goes

The agent offered free delivery. **You** decide that, so you edit it out.

✏️ **Edit reply**

Hi Neha, sorry about the delay! Your order ships Monday with tracking~~, and I've added free delivery on this one~~. I'll message you the tracking link myself.

your version is what goes out

Step 5

Let Go Step by Step

Check the log weekly. Types you **always approve as-is** can skip the queue.

Google Sheets

Approval log · by type

Message type	Your drafts	Next step
Order status	Approved as-is	→ let it go alone
Opening hours	Approved as-is	→ let it go alone
Refund request	Often edited	keep approving
New client quote	Often edited	keep approving
